

Sustainability Interim Director

Mary Hammer

Mary Hammer was appointed Interim Director of the Office of Sustainability in January of 2013. She has more than 15 years experience in municipal government. Her experience will assist OS in moving forward to achieve an integrated and effective approach to long-range, progressive sustainability programs for the City of San Antonio. Her responsibilities include energy efficiency in municipal facilities, the San Antonio Bikes program, alternative transportation, and green policy.

Prior to her appointment, Mary was the Department Fiscal Administrator for the Office of Sustainability where she worked to enable the establishment of a revolving Energy Efficiency Fund that allows for continuous improvement in energy performance for City operations. The fund is the first of its kind at the City of San Antonio.

Prior to coming to San Antonio, Mary worked for the City of Greeley, Colorado for 10 years in various capacities.
